

Joey Vasquez At Your Venue? Expect Spectacular

Special Toolroom Records DJ Set: Ultimate Tech House Dancefloor Experience

Joey Vasquez's Special Toolroom Records DJ set is a high-voltage journey through the label's most cutting-edge releases. From peak-time tech house bangers to driving underground anthems, Joey curates a sonic narrative that crescendos with unrelenting energy. His deep knowledge of Toolroom's catalog shines through in every selection, blending club classics with exclusive edits and unreleased promos to keep both purists and newcomers on their toes. This isn't just a DJ set—it's a meticulously crafted performance designed to amplify the spirit of your venue and ignite the dance floor.

Joey's command of dynamics and momentum ensures a seamless flow from start to finish. He masterfully layers percussive grooves, vocal hooks, and rolling basslines, using three-deck techniques and live effects to sculpt each transition. Whether it's a massive festival mainstage, an intimate club room, or a sun-soaked rooftop session, his set adapts to the space, dialing up the intensity exactly when the crowd calls for it. -- Venues / promoters get your dates confirmed now
